## California State Parks Seeks Input for the Mount Diablo State Park Roads and Trails Plan

*Danville, Calif.*-- California State Parks will be hosting two open house meetings to receive comments from the public regarding the Draft Mount Diablo State Park Roads and Trails Management Plan (RTMP). The open house meetings will take place as follows:

- May 12, 2015, from 6:00 p.m. to 8:00 p.m., at the Danville Veteran's Memorial Building, 400 Hartz Avenue, Danville
- May 13, 2015, from 6:00 p.m. to 8:00 p.m. at the Centre Concord Community Center, 5298 Clayton Road, Concord.

The Draft RTMP for Mount Diablo State Park describes the existing roads and trails of the park and provides specific direction for management and operations in the future. The goal is to ensure that recreational trail opportunities are made available at their fullest potential, while protecting the park's cultural and natural resources.

Set aside by the State in 1931, Mount Diablo State Park has an extensive system of roads and trails including 221 miles of non-motorized trails set in a variety of habitats, including grasslands, woodlands, chaparral, creeks, ponds, and seasonal water falls. The park holds numerous Native American sites and a collection of 1930s buildings constructed by the Civilian Conservation Corps. These meetings will build on public outreach efforts conducted over the past several years to gather input from users, management agencies, cooperative associations and other stakeholders regarding the road and trail recreational needs in the region.

The RTMP can be found online at [www.parks.ca.gov/mdsp-rtmp](http://www.parks.ca.gov/mdsp-rtmp) or members of the public can also get a free hard-copy at one of the following locations :
