

# Boosters of Old Town

A 501(c)(3) Nonprofit Organization

Spring-Summer 2010

Dear Old Town Business Community,

Old Town San Diego State Historic Park is an important part of the city and county of San Diego and the co-operative association, known as Boosters of Old Town (BOOT), is beginning a drive to increase membership and donations to support this historic park.

The co-operative association, under contract to the State of California, was formally incorporated in 1981 to assist the park staff in the interpretive educational, and advocacy programs in the park.

Over the years, BOOT has supported Ladies Day, Historic Fourth of July, Dia de los Muertos, Fiestas Parias, Holiday in the Park, and descendants activities, all of which enrich the visitor's experience in the park. Additionally, BOOT had funded a period attire (clothing) bank, purchase of interpretive props, new publications, built tables and benches, and made crafts for sale in the BOOT store. The association maintains a website ([boosterofoldtown.com](http://boosterofoldtown.com)), and publishes a monthly newsletter (Poppy Paper) available on line or by mail.

Funds are raised through school tours, sales in the BOOT store, donations, and memberships.

Recent State Parks budget allocations have dropped to historic lows and, as a result, greater emphasis is being placed upon the co-operative association to supplement the park budget to a greater degree.

Please join us in supporting the Old Town San Diego State Historic Park for all its' visitors and the San Diego community.
