**Who we are.**

The Four Rivers Association (FRA) is a non-profit California State Park cooperating association.

**What we do.**

We help the following parks: Pacheco State Park (PSP), San Luis Reservoir State Recreation Area (SRA) (including Los Banos Creek Reservoir), Great Valley Grasslands State Park, George J Hatfield SRA, McConnell SRA, Turlock Lake SRA, and Caswell Memorial State Park. We assist with special events, raise money to fund educational and interpretive programs (like the Path of the Padres hikes), assist with acquiring display materials or objects, help to develop and maintain a suitable park library for “our” parks, and try to raise public awareness about our local state parks.

**What members get.**

- Discounts on items purchased from FRA; i.e. T-shirts, books, seed packets, etc.
- Quarterly newsletters with information on upcoming events, stories, etc. (e-mailed)
- PSP Self-guided Springtime Hike booklet or PSP Wildflower ID booklet with paid memberships.
- The knowledge that they are helping with some great programs!
