Volunteers In Parks Program

Exit Interview

Managing a volunteer program is very challenging. One of the most difficult program management tasks is retaining long term volunteers. In order to help us in our ongoing assessment of the VIP programs strengths and weaknesses, we ask that you answer the following questions. Please be truthful and forthcoming in your remarks; they will remain confidential and the information will be used only for our future management evaluations of the State Park volunteer program.

Name _________________________________ Park Unit _____________________ Date ______________

How long were you a volunteer?_____________________________________________________________

What kinds of volunteer positions did you hold?_________________________________________________

Did you find that our initial and ongoing training was adequate for your position? If not, please explain______

______________________________________________________________________________________

______________________________________________________________________________________

What did you like most about being a VIP?_____________________________________________________

______________________________________________________________________________________

______________________________________________________________________________________

What do you feel are the strengths of the VIP program? __________________________________________

______________________________________________________________________________________

______________________________________________________________________________________

In what ways can our VIP program use improvement? ___________________________________________

______________________________________________________________________________________

______________________________________________________________________________________

Overall, how would you rate your enjoyment in being a VIP? (1 = poor / 10 = excellent)

  1  2  3  4  5  6  7  8  9  10

Would you ever consider returning as a VIP, and why or why not? _________________________________

______________________________________________________________________________________

Would you consider being “on call” for future special events? _________________________________

______________________________________________________________________________________
