# Case Study

**CONSERVATION**<sup>i</sup>**IMPACT**  
focus | mission

# The Resource

# The Players

- Land owners/ managers:
  - 27 entities
  - 76 land management units
  - Government, private

# Situation

- Partnership challenges
- Varying definitions of FNST
- Pre-planning priorities

# Planning Process

**CONSERVATION**<sup>i</sup>**IMPACT**  
focus | mission

Jim was not as extreme as perhaps some of the other group members at the protest.

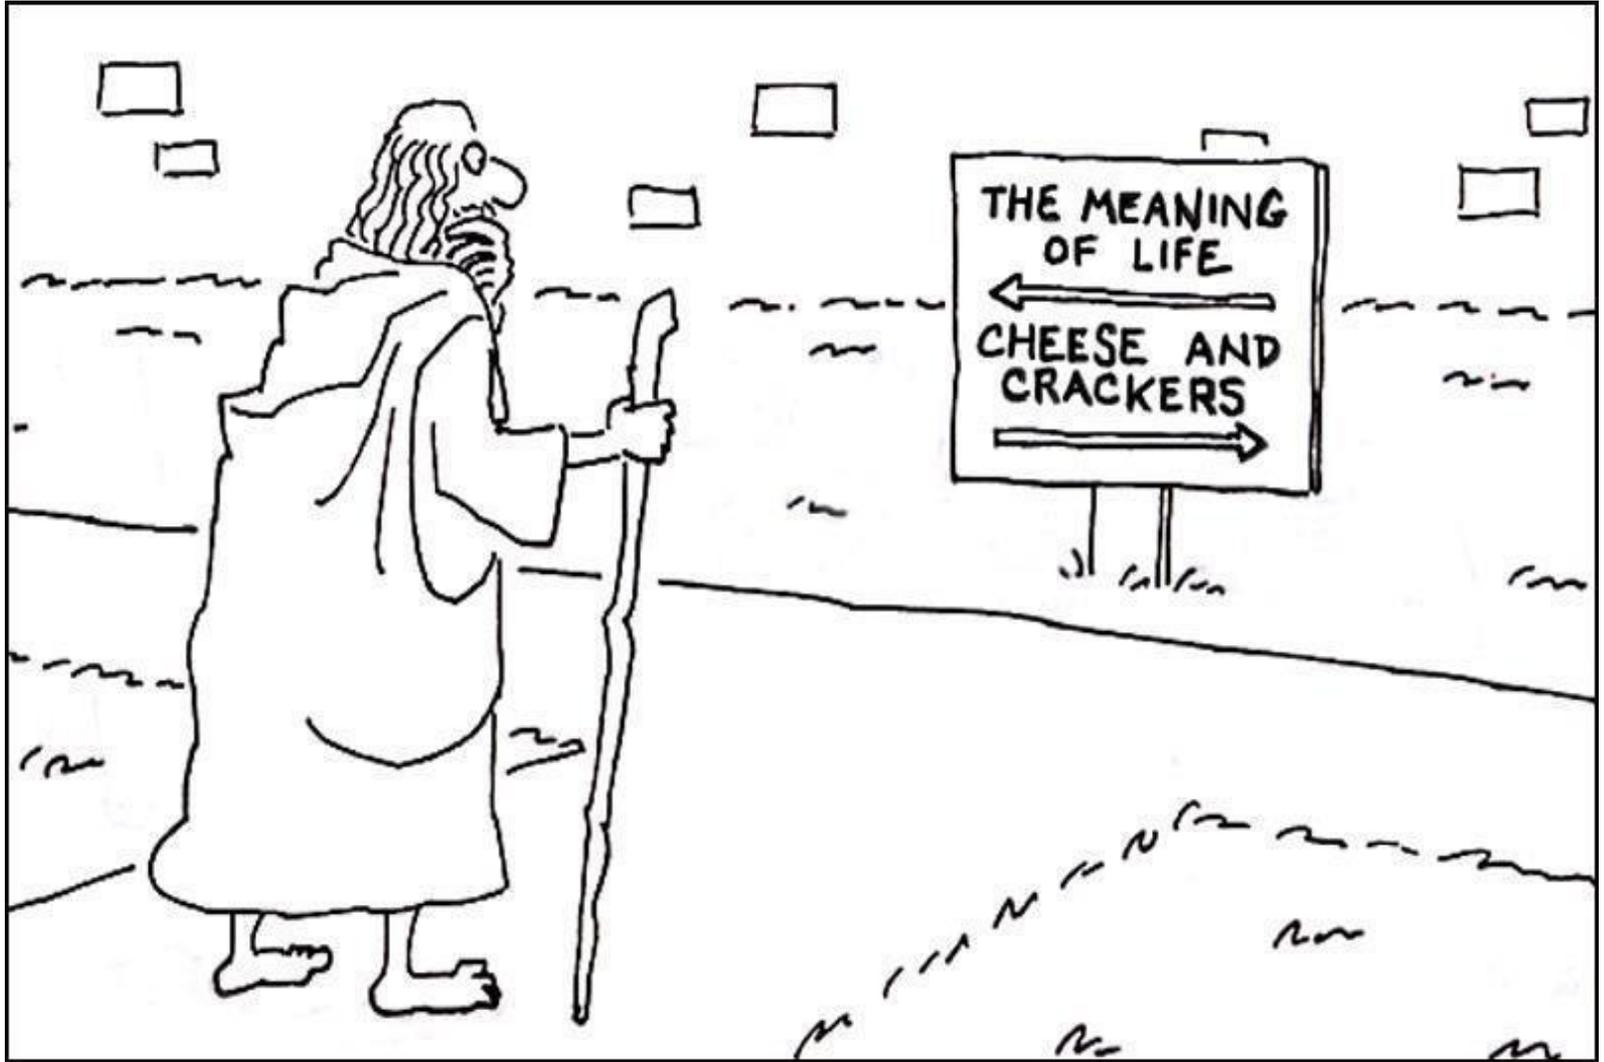

# 1. Situation Analysis

If I'd known they wanted me to use all this info - I would never have asked for it!

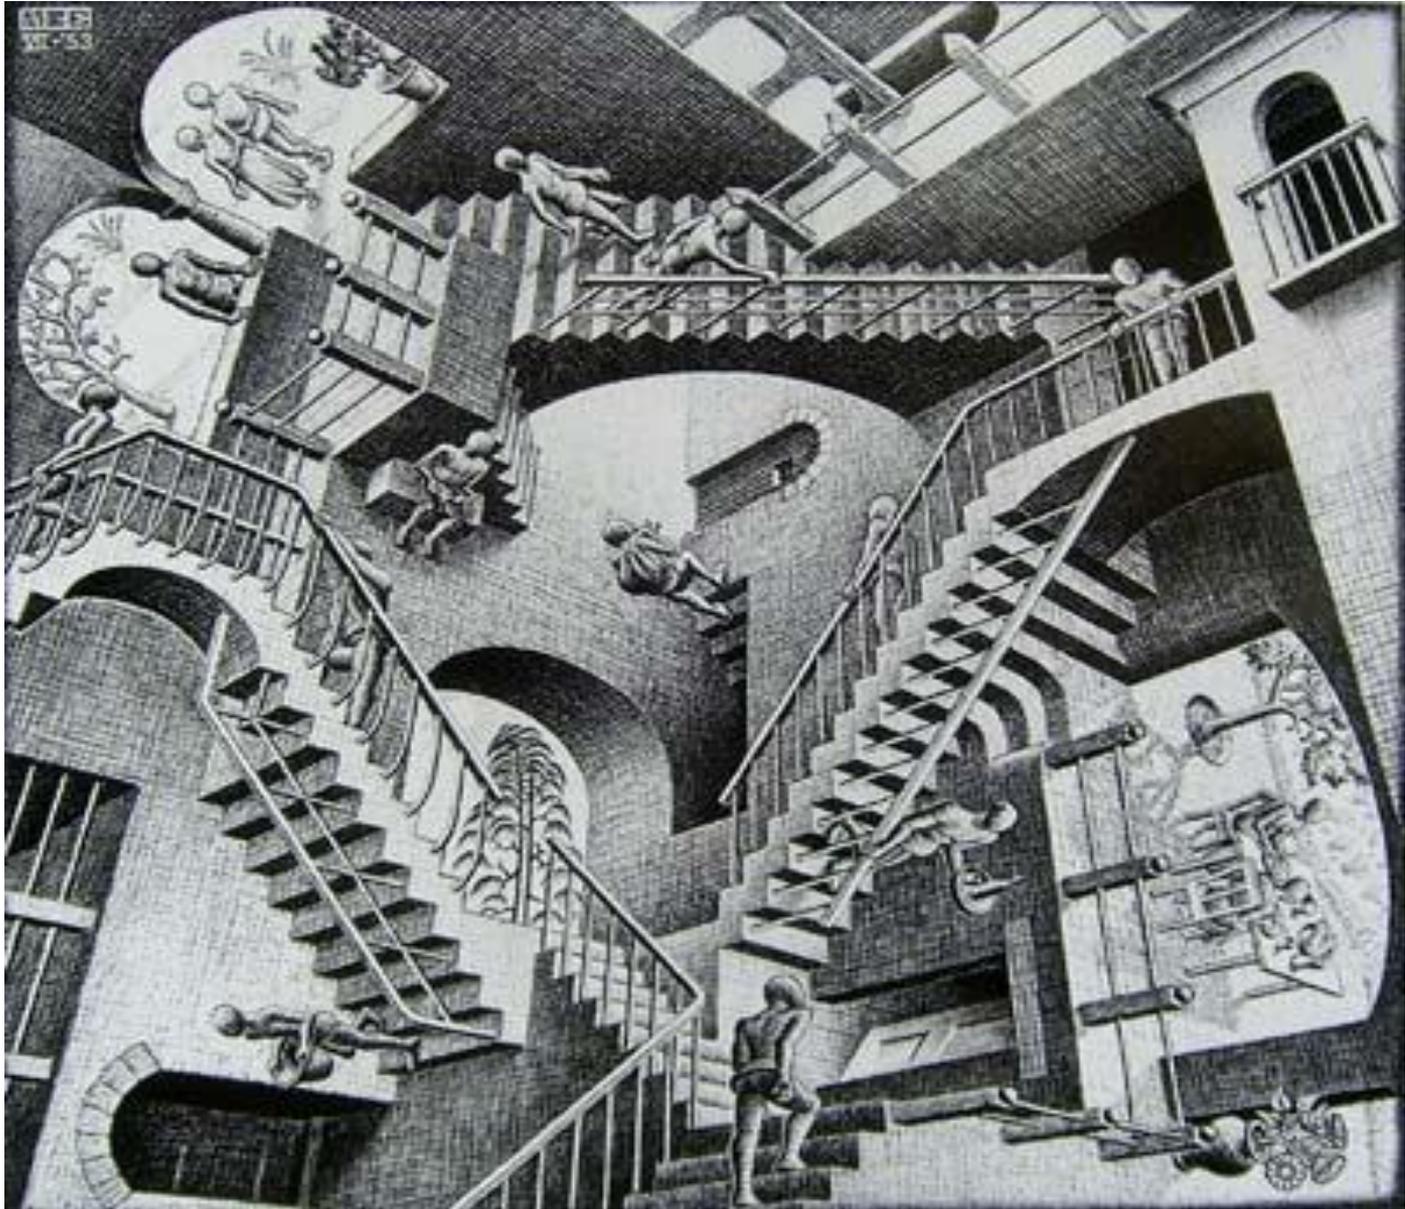

# 2. Strategic Decisions

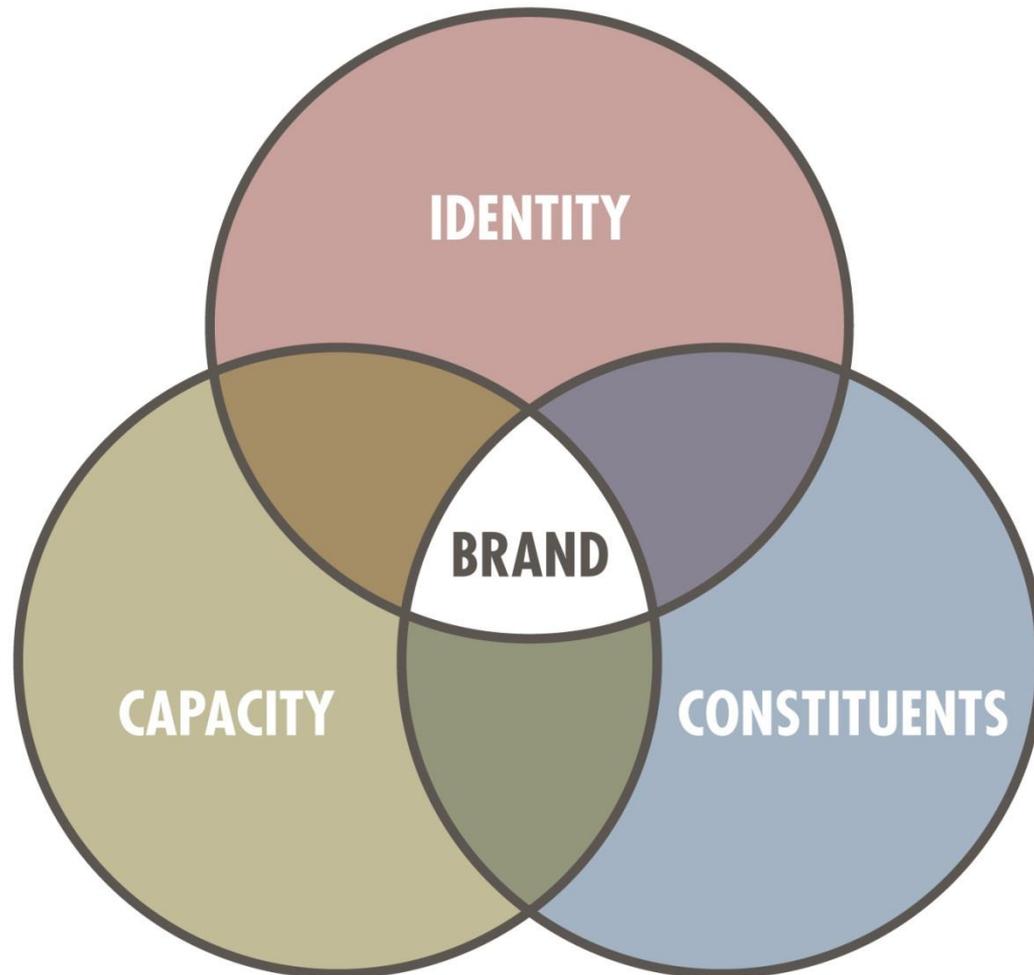

# 3. Using the Plan
