Native Plant Nursery

- \$5,000 grant from Southern California Gas Company.

Trail Safety Patrol

- Assist CSP staff and other City professionals in maintaining the safety of park and open space visitors, as well as protecting the plant, animal, and historical resources of Glendale's parks and open spaces.
- Educate Park visitors and trail users about park resources, programs, rules, and regulations.
- Observe and Report unsafe conditions, damage to park resources and facilities, violations of park rules and regulations, and police, fire, or medical emergencies.
- Foster positive relationships among Park and Trail users and user groups by serving as ambassadors of the Department.
- \$1,000 grant from California Trails & Greenways Foundation
