P.O. Box 942896
Sacramento, CA 94296-0001

PROJECT TITLE: Dotson Barn Lift Station and Sewer Line Connection

LOCATION: Colonel Allensworth State Historic Park **COUNTY:** Tulare

DESCRIPTION OF THE NATURE AND PURPOSE OF PROJECT:

Install a sewer lift station and add a 2" diameter sewer pipe connection 2 feet deep and 370 feet long following existing underground utility trench routes, at Colonel Allensworth State Historic Park. Lift station controls will be inside the existing 1000 gallon septic tank which is inside a reconstructed barn (Dotson Barn), so it will not intrude on the historic setting. Standard halt-work-and-notify procedures will be specified in case of inadvertent discovery of significant cultural remains. Ramps for wildlife will be put in the trench if it is left open overnight. Project will improve park operations.

PUBLIC AGENCY APPROVING THE PROJECT: California Department of Parks and Recreation

NAME OF DIVISION OR DISTRICT CARRYING OUT THE PROJECT: South Valley Sector, Central Valley District

EXEMPT STATUS:

- Declared Emergency (Section 15269(a))
- Emergency Project (Section 15269(b) and (c))
- Statutory Exemption (Section:)
- Categorical Exemption

Class: 3 Section: 15303

REASONS WHY PROJECT IS EXEMPT:

Project consists of construction and location of limited numbers of new, small facilities.
