PROJECT TITLE: Easement to Tahoe City Public Utility District

LOCATION: Tahoe State Recreation Area

COUNTY: Placer

DESCRIPTION OF THE NATURE AND PURPOSE OF PROJECT:

Issue a permanent easement to Tahoe City Public Utility District (TCPUD) to allow the TCPUD and their contractors to maintain work completed at Tahoe State Recreation Area on the Lakeside Trail, Phase 7. The TCPUD will notify the Department of Parks and Recreation (DPR) at least one week prior to performing work, including routine maintenance, within the easement boundaries. Advance notice is not required when responding to an emergency, however, DPR will be notified as soon as feasible after TCPUD personnel arrive at the site. All work constructed within the boundaries of the easement, including routine maintenance will comply with all State and Federal environmental laws, including but not limited to the Endangered Species Act, CEQA, and Section 5024 of the Public Resources Code, with regard to work conducted within the easement. If potentially significant resources are unearthed, work in the immediate area of the find will be temporarily halted or diverted until the project manager consults with a DPR archaeologist, and identification and proper treatment are determined and implemented. All finds become the property of DPR; ownership of any Native American artifacts will be determined on a case-by case basis, in consultation with the appropriate tribal representative(s) and/or the Native American Heritage Commission. This easement will provide legal access and use of this property to the Tahoe City Public Utility District, while protecting natural resources.
