PROJECT TITLE: Adamson Lath House Restoration
LOCATION: Malibu Lagoon SB **COUNTY:** Los Angeles

DESCRIPTION OF THE NATURE AND PURPOSE OF PROJECT:
The California Department of Parks and Recreation (CDPR) proposes to restore the Lath House located on the Adamson House grounds. The restored structure would continue its existing support functions as well as provide interpretive opportunity for guests to the grounds. The structure is currently in poor condition with a compromised foundation and framing.

The work would consist of stabilization and repair of the structure while maintaining as much of the existing material as possible. The foundation shall be strengthened Other additional measures would take place to restore it to a form similar to its original design.

Avoidance and minimization measures have been incorporated into this project to reduce environmental impact. A copy of these requirements may be obtained by submitting a request to the project Environmental Coordinator listed below.
