PROJECT TITLE: CSB Campground Pump Station Installation (09-10-SD-32)

LOCATION: South Carlsbad State Beach **COUNTY:** San Diego

DESCRIPTION OF THE NATURE AND PURPOSE OF PROJECT:

This Project consists of the installation of a new above ground pump station. The current pump station, located approximately 1000' north of the campground will be removed. The new pump station will be installed in the island at the campground's north end turnaround and above the existing pump station. The total footprint will be 12' X 14'. The project will require digging for a concrete slab foundation, a wet well, and a trench for the force main sewer pipe. Some non native plants (palms) may need to be trimmed or removed to accommodate the pump station. This project is an emergency and a Right of Entry Permit will be issued. DPR-approved standard project requirements have been incorporated into this project. A copy of these requirements may be obtained by submitting a request to the project Environmental Coordinator listed below.
