

NOTICE OF EXEMPTION

TO: Office of Planning and Research
1400 Tenth Street, Room 222
P.O. Box 3044
Sacramento, CA 95814

FROM: Department of Parks and Recreation
Angeles District
1925 Las Virgenes Road
Calabasas, CA 91302-1909

PROJECT TITLE: Automated Pay Machines (Entrance, South Beach, North Beach, Staircase)

LOCATION: Leo Carrillo State Park

COUNTY: Los Angeles

DESCRIPTION OF THE NATURE AND PURPOSE OF PROJECT:

This project will install four automated pay machines (APMs) in the existing parking lots. Three will be solar units and one will replace the current hardware at Kiosk, no additional trenching will be required for utilities. Installation will be as follows:

- Entrance Kiosk - Replace non-functional APM unit, hardwired into already existing utilities and pad, or if utilities found not to be sufficient, install a solar-powered unit. Remove old signage and iron ranger.
- South Beach – Install new solar-powered unit into existing parking lot surface, or construct concrete pad per accessibility guidelines as needed.
- North Beach - Remove shower and install new solar-powered unit and interpretive panel, and construct concrete pad area as per accessibility guidelines.
- Staircase Beach - Enlarge concrete pay area foundation as per accessibility guidelines, and install new solar-powered unit and interpretive kiosk. Remove existing signage and iron ranger.

They are all solar units or using existing connections; therefore, no trenching will be required for utilities. Each APM unit will require a 3'x3' footprint, excavated to about 18-24 inches in depth for a poured concrete foundation. Bollards will be placed at each corner of the APM that can be approached by traffic. Bollards should be a minimum of 36" above grade, set into concrete with anchoring bars at least 24" in depth, or anchored to a concrete slab.

PUBLIC AGENCY APPROVING THE PROJECT: California Department of Parks and Recreation

NAME OF DIVISION OR DISTRICT CARRYING OUT THE PROJECT: Angeles

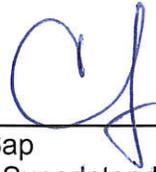

EXEMPT STATUS:

- Declared Emergency (Section 15269(a))
- Emergency Project (Section 15269(b) and (c))
- Statutory Exemption (Section)
- Categorical Exemption
Class: 11 Section(s): 15311

REASONS WHY PROJECT IS EXEMPT: No potential for significant impact to the environment is anticipated in compliance with CEQA §15300.2. If the project is implemented as indicated within the project description including comments provided by C DPR specialists, then it is exempt under CEQA §15311 – Accessory Structures. The action falls under the Departmental List of Exempt activities according to CEQA §15300.4 as:

- “Construction or installation of additional public use facilities” and “Installation of fee collection devices.” (Class 11, Section 15311)
