 - For Redesign/Modification/Resubmittal
- 5024 Review Form/s**
 - For Signature and Return (Final)
 - For Review (Contact Reviewing Specialist)
- Notice/s of Exemption-15301**
- Other:**

-
- Please Note:** Additional Information Requested (see Comments section below)
 Project Modification/s or Condition/s (see Comments section below)
 - See Archaeological Site 5024 Review Form (Section/s:)
 - See Historic Facility 5024 Review Form (Section/s:)
 - See Archaeologist's Comments on PEF
 - See Historian's Comments on PEF
 - See Resource Ecologist's Comments on PEF
 - See District Engineer's Comments on PEF

Comments: **The State Archaeologist** states that there are no archaeological sites in project area. Short Ranch in vicinity and it must have had activity areas nearby, but 24" cap on impacts will not impact historic or pre-contact resources. If project is carried out as described, incorporating the above conditions, it is exempt from CEQA.

Sincerely,

Jeanne Akin
