 Date of completion: _____
- State Clearinghouse Number:** _____

Identify Lead Agency if different from the Grantee:

Agency Name:	
Contact Person:	
Mailing Address:	
Phone: ()	Email:

Certification:

I hereby certify that the above referenced Lead Agency has complied with the California Environmental Quality Act (CEQA) through the filing of a Notice of Exemption pursuant to Public Resources Code Section 21080.57, and that the project is described in adequate and sufficient detail to support the project’s construction or acquisition.

I further certify that CEQA for this project encompasses all aspects of the work to be completed with grant funds. I hold full responsibility for ensuring compliance with CEQA requirements and any other environmental laws or regulations. This includes completing all necessary environmental reviews, obtaining required permits, and documenting tribal consultation when applicable.
