STATEWIDE PARK DEVELOPMENT AND COMMUNITY REVITALIZATION PROGRAM

COMMUNITY FACTFINDER CERTIFICATION FORM

PROJECT NAME: _____

APPLICANTS complete this form after following the steps outlined in the Community FactFinder (CFF) Handbook to generate a Community FactFinder (CFF) Report specific to their proposed PROJECT SITE. The CFF handbook is available on the Office of Grants and Local Service's (OGALS) website at parks.ca.gov/ogals.

By signing this form, the APPLICANT certifies that the CFF Report submitted at the time of APPLICATION meets all requirements for the GRANT program named above. The applicant also certifies they met the following two requirements:

- ✓ Acreage that should or should not be counted within the PROJECT SITE'S radius has been reported to SCORP@parks.ca.gov.
- ✓ The Community FactFinder Report was uploaded with the pinpoint located in the boundary of the PROJECT SITE.

The APPLICANT understands that if the submitted report does not match the PROJECT SITE, OGALS will download a new report with the pinpoint located in the middle of the PROJECT SITE to create the new half-mile radius. OGALS will use the newly generated data when evaluating all Project Selection Criteria.
