

VIRTUAL

Anywhere & Everywhere

APRIL 14-16, 2021

**\$500 in Cash Prizes
for the
Most Active Participants!**

Our virtual event just got serious! We will be awarding \$500 in cash prizes to the most active participants based on their total activity over the three-day event. Our virtual platform is tracking how many sessions and exhibits you enter and how many one-on-one text messages and video meetings you send. Daily totals will be shared in the morning email and the winners will be announced at the end of the event. Prizes will be in the form of Visa gift cards sent directly to each winner. So jump onto the platform and start exploring – it just might pay off!
