

Consider a concession-developed and operated overnight lodge with group dining facilities and additional cabins.

Coordinate with Santa Cruz County to identify any road improvement and county maintenance actions that may be necessary to maintain public vehicle access on Little Basin Rd.

LITTLE BASIN GOALS

Amended July 2, 2026

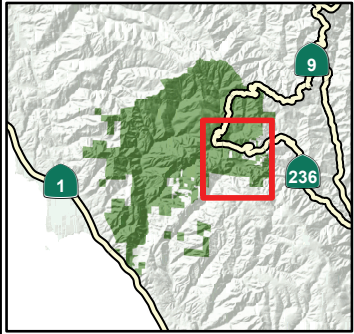

- Management intent is to establish and maintain a public day use and overnight recreation area for group use, and destination for special events.
- Upgrade, rebuild, and expand utility systems and infrastructure to support recreational activities, such as camping (including cabins), hiking, biking, horseback riding, interpretive and group activities. Consider facility and program needs for cultural center and mixed Tribal use area.
- Rebuild and upgrade and/or modify existing facilities to and amphitheater in order to satisfy operational needs and meet ADA accessibility requirements.
- Complete inventories and resource evaluations, and implement resource protection measures. Remove or relocate existing and former facilities, as necessary, to preserve and protect sensitive natural resources and significant cultural resources.
- Interpret resource values, site history and past use of Little Basin (e.g. Hewlett-Packard Corp).
