Upgrade and expand utility systems and infrastructure to support recreational activities, such as camping (including cabins), hiking, biking, horseback riding, fishing, interpretive and group activities. Consider program needs for possible environmental education.

Upgrade and/or modify the group picnic facilities and amphitheater in order to satisfy operational needs and meet ADA accessibility requirements.

Complete inventories and resource evaluations, and implement resource protection measures. Remove or relocate existing modern facilities, as necessary, to preserve and protect sensitive natural resources and significant cultural resources.

Interpret resource values, site history and past use of Little Basin (e.g. Hewlett-Packard Corp.).
