Declaration of Purpose (1998)

The purpose of Pigeon Point Light Station State Historic Park is to make available to people, forever, for their observation, enlightenment and enjoyment, the historic Pigeon Point Light Station with its outstanding cultural, natural and scenic values.

The department shall define and execute a program of management to perpetuate the unit's declared values and provide interpretation that makes these values available in a manner consistent with their perpetuation through well-planned facilities, programs, visitor services, and maintenance.
