

**Ronald Reagan Equestrian Center  
Malibu Creek State Park  
Agoura, CA**

**Malibu Creek State Park  
Equestrian Campground Proposal**

# Malibu Creek State Park Equestrian Campground Proposal

This park is a popular place for hikers, bicyclists and equestrians. The equestrian campground would be located on a relatively flat grassland

Reagan Ranch Rd.

Malibu Creek State Park

## Equestrian Campground Proposal

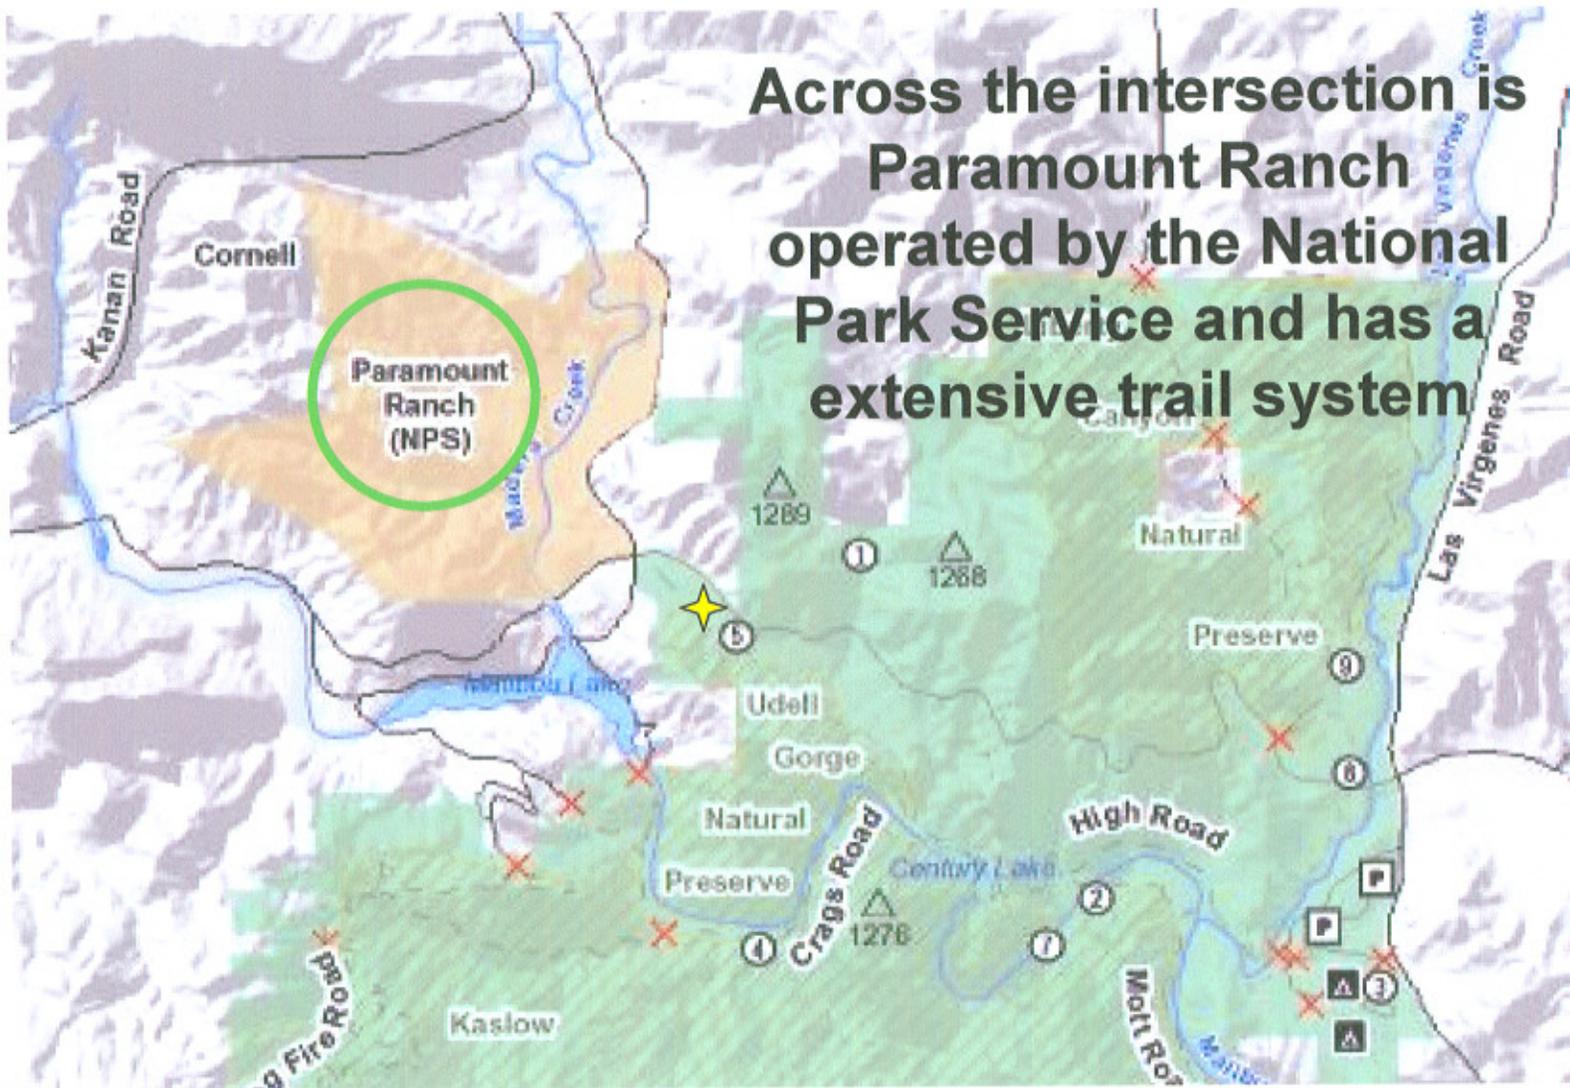

Reagan Ranch property still has the original barn and stables. It is also the park maintenance headquarters for equipment

Malibu Creek State Park  
Equestrian Campground Proposal

Across the intersection is Paramount Ranch operated by the National Park Service and has an extensive trail system

# Malibu Creek State Park Equestrian Campground Proposal

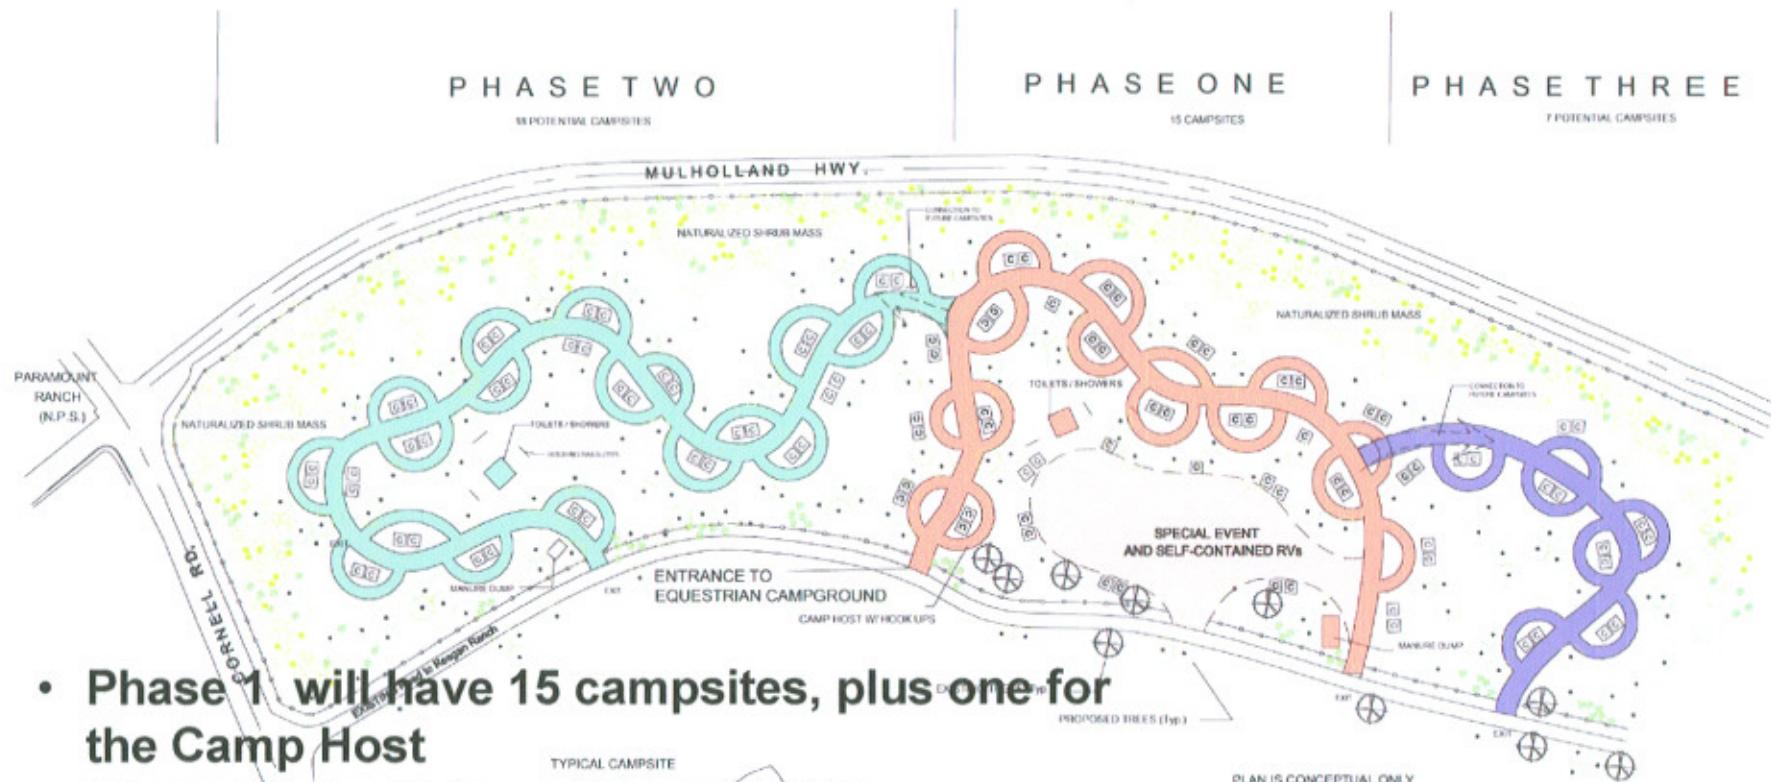

The equestrian campground will be developed in three phases

- Phase 1 will have 15 campsites, plus one for the Camp Host
- Phase 1 & 2 will have 33 campsites
- Phase 3 will remain open without campsites to handle special events and self-contained rigs
- Future development will be considered to upgrade facilities

- **Phase 1 will have 15 campsites, plus one for the Camp Host**
- **Phase 1 & 2 will have 33 campsites**
- **Phase 3 will remain open without campsites to handle special events and self-contained rigs**
- **Future developments will be considered to upgrade facilities**

PLAN IS CONCEPTUAL ONLY  
 All turning radii will be rounded sufficient to accommodate trucks w/ horse trailers.  
 Relative sizes and locations are approximate only.

# Malibu Creek State Park Equestrian Campground Proposal

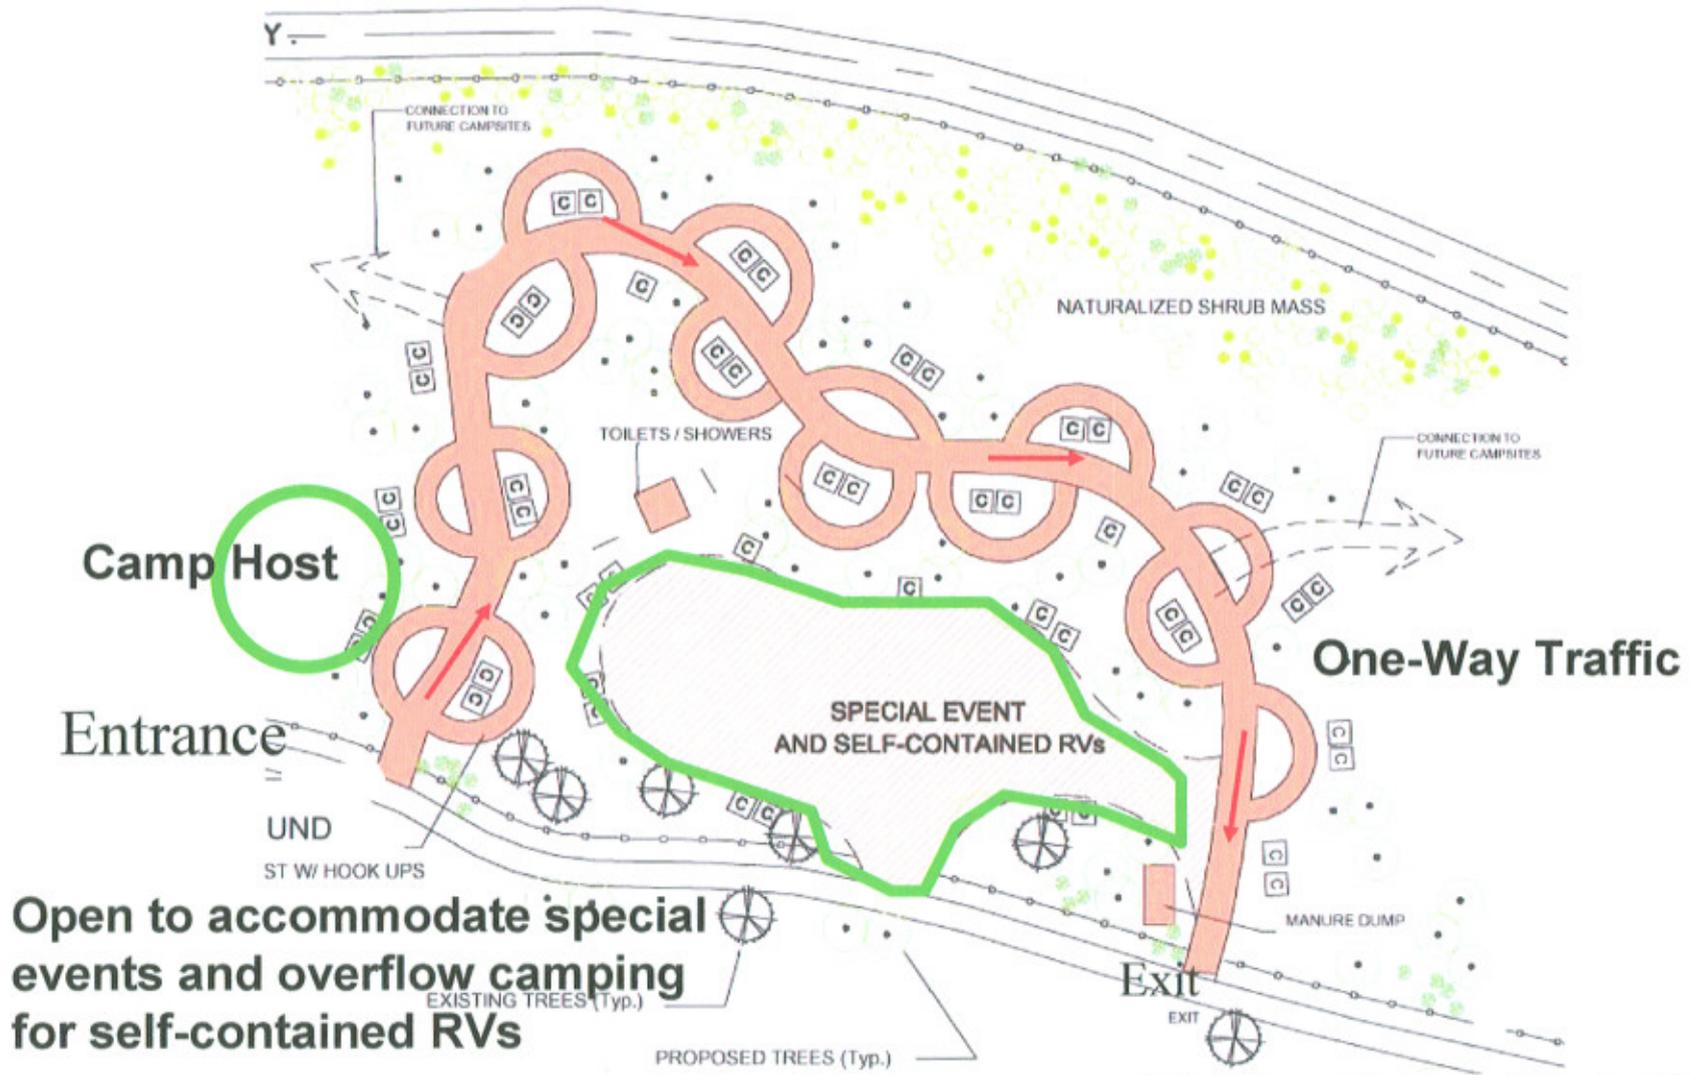

**Each campsite would include flow-through parking suitable for a truck, horse trailer and an additional vehicle**

Malibu Creek State Park

# Equestrian Campground Proposal

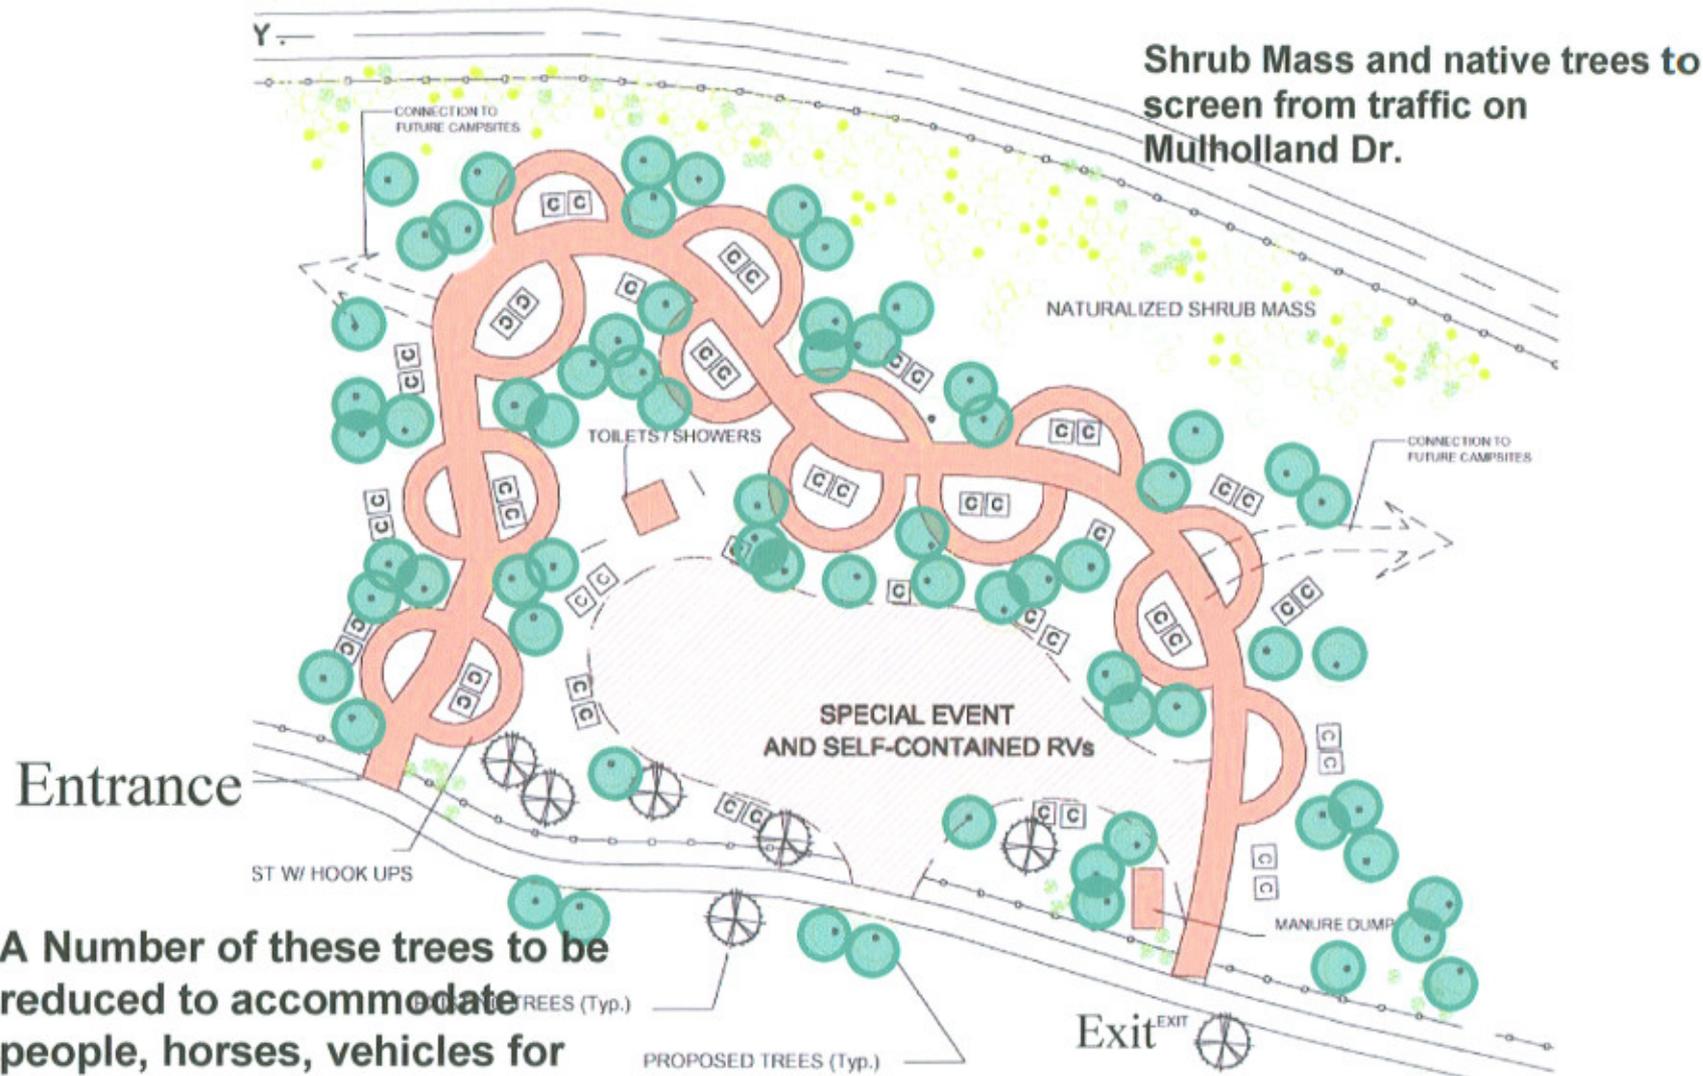

**Open to accommodate special events and overflow camping for self-contained RVs**

Malibu Creek State Park

# Equestrian Campground Proposal

Shrub Mass and native trees to screen from traffic on Mulholland Dr.

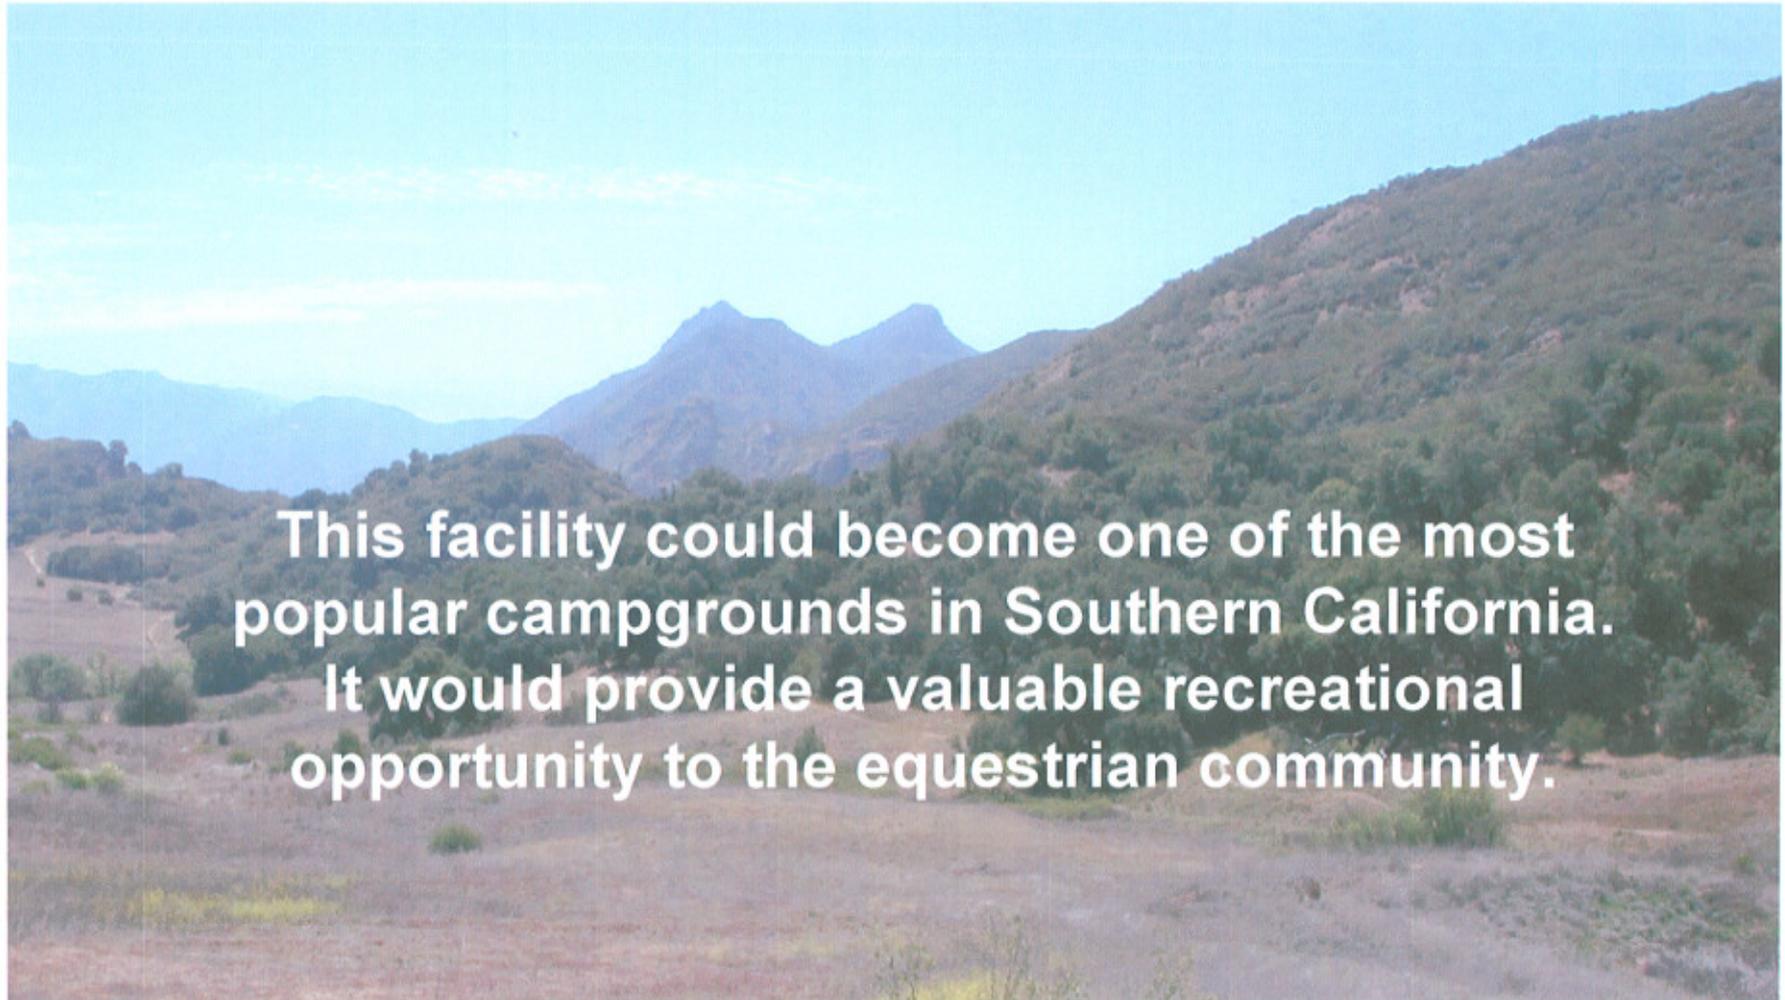

Entrance

A Number of these trees to be reduced to accommodate people, horses, vehicles for maneuverability and parking

Exit

# Malibu Creek State Park Equestrian Campground Proposal

**This facility could become one of the most popular campgrounds in Southern California. It would provide a valuable recreational opportunity to the equestrian community.**
