## ***All Aboard for Story Time With B Street Theatre Company's Amy Kelly on Monday, March 27***

**SACRAMENTO, Calif.** – It's *All Aboard for Story Time!* with B Street Theatre Company Member Amy Kelly as a celebrity guest reader on Monday, March 27, 2017, at 11 a.m. at the California State Railroad Museum. Amy, a talented local actress, comedian, voice-over artist and impersonator, will read the book "The Transcontinental Railroad" by John Perritano. The book is especially timely given B Street Theatre is currently presenting an engaging and original play titled "Going West: The Story of the Transcontinental Railroad" running through April 2. Amy performs a key role in the play that celebrates the men and women who made history by joining our vast nation together.

*All Aboard for Story Time!* is offered every Monday morning year-round. Through this interactive and fun program, parents are encouraged to let trains and railroading introduce and foster the love of reading with their imaginative young children ages two to five. The *Story Time!* program showcases different railroad-related books each month. Afterward, children and parents are encouraged to explore the Museum. Whether it's toy trains or big locomotives, there is always something to discover in the California State Railroad Museum – North America's most popular railroad museum – that will thrill children (and adults) of all ages.

The *All Aboard for Story Time!* program is included with Museum admission: \$12 for adults; \$6 for youths ages 6-17; free for children ages 5 and under. For more information about the reading program or the California State Railroad Museum in general, please call 916-323-9280 or visit <https://www.californiarailroad.museum/>.
