# Programs by Office of Community Involvement

## FamCamp®

Since 1994, this statewide program introduces camping to underserved areas.

The FamCamp® program provides a trailer full of camping equipment and a campsite reserved at a State Park.

To learn more about FamCamp® visit:

[https://www.parks.ca.gov/?page\\_id=24915](https://www.parks.ca.gov/?page_id=24915)

## Outdoor Youth Connection (OYC)

OYC provides powerful introductions to outdoor experiences during a three-day two night camping experience in a State Park for California's most disadvantaged youth. OYC unlocks the potential for young people to become catalysts for change in their communities.

OYC provides a comprehensive approach for reconnecting urban youth to the outdoors in a way that brings the benefits full circle back to their lives and communities.

Program graduates are required to plan, organize and lead at least one outdoor outing for their community.

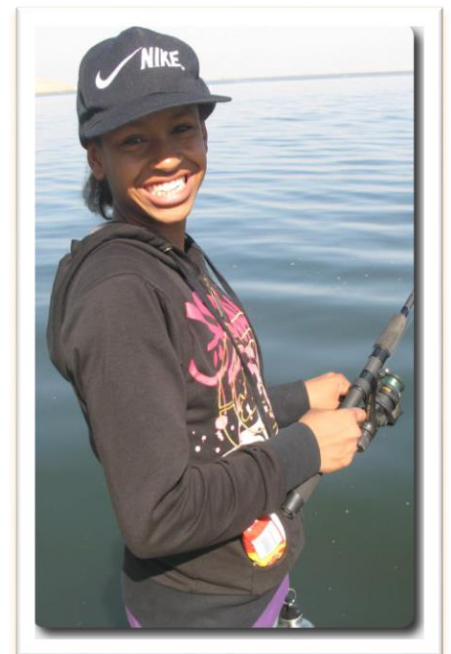

Graduates are also required to plan, organize and lead at least one public service project.

To learn more about OCI, visit [https://www.parks.ca.gov/?page\\_id=24511](https://www.parks.ca.gov/?page_id=24511)

## Outdoor Recreation Leadership Training

This program provides training that combines outdoor recreation leadership, youth development principles, and community building tools. Participants will learn how to develop strategies and techniques to enhance all of their community programming.
