

Bowtie Concept Design Public Presentation

Join us outdoors
SATURDAY,
MARCH 5, 2022
10am–12pm

We received input from nearly 2000 community members, guiding our concept for the Bowtie. Now we invite you to join California State Parks and the Bowtie design team to view the concept design for this future State Park.

- See plans and visualizations of the conceptual design for the future park.
- Give your input on the park design.
- Learn about the vision of the Bowtie as part of a larger plan to create 100 acres of connected green space along the LA River.
- Snacks provided to participants!

Sotomayor Learning Academies

2050 N San Fernando Rd, Los Angeles, CA 90065

Look for signs directing participants to the outdoor event location.
