

Jedediah Smith Redwoods State Park

1111 Second Street • Crescent City, CA 95531
(707) 464-6101

Established in 1929, this predominantly old-growth coast redwoods park is bisected by the last major free-flowing river in California, the Smith River. Almost all of the park land is watershed for the Smith River and Mill Creek, a major tributary. The park has a campground with 87 family campsites, about 20 miles of hiking and nature trails, river access, a visitor center with exhibits, and a nature store.

PARK FEES are due and payable upon entry into the park. The campsite fee covers one vehicle. Extra vehicles will be charged a fee.

OCCUPANCY: Each campsite may have up to eight persons (including children).

VEHICLE PARKING: Vehicles may be parked only in your assigned campsite. They must not extend into the roadway beyond the campsite number or limit line. Two vehicles maximum per campsite (if there is room).

CHECK-OUT time is noon. Please vacate your site by that time. Check-in time is 2 p.m. Check-in time for cabins is 3 p.m.

SPEED LIMIT: The maximum speed limit is 15 mph. When pedestrians, bicyclists, and children are present, even 15 mph might be too fast. Use good judgment.

QUIET HOURS are from 10 p.m. to 6 a.m. To ensure an enjoyable experience for everyone, please do not disturb other campers, regardless of the time of day or night.

GENERATORS may only be operated between the hours of 10 a.m. and 8 p.m.

PETS must be kept on a leash no longer than six feet and under control at all times. Except for service dogs, they are not permitted on the trails or at any interpretive programs. Dogs may not be left unattended, and they must be confined to a vehicle or tent at night.

BICYCLES are allowed only on paved roads. Riders under 18 years old **must** wear a helmet at all times.

GAMES/ACTIVITIES that are disruptive to the other campers or to the environment are strictly prohibited.

BEARS: To reduce your chance of having a negative encounter with wildlife, please pack out all garbage and dispose of it properly. Metal bear-resistant lockers are provided for each campsite. All food, beverages, and toiletries are required **by law** to be stored in the provided food lockers, unless being consumed or being prepared for consumption.

FIRES AND FIREWOOD: Fires are allowed only in established fire rings or camp stoves. Do not build ground fires outside the fire rings or leave campfires unattended. Do not gather firewood in the park—the nutrients must be allowed to recycle back into the ecosystem. You may purchase firewood from the camp hosts.

TYING or nailing anything to trees is prohibited (hammocks, clothes lines, etc.).

THEFT WARNING: Keep your vehicles locked and your valuables out of sight. Do not leave property out at night. Report suspicious activity to a ranger or camp host.
