4150 Patrick's Point Dr. • Trinidad, CA 95570 • (707) 677-3570

Located 25 miles north of Eureka, Patrick's Point State Park sits in the heart of California's coast redwood country. The park's dense forests stretch over an ocean headland. A dramatic shoreline offers great opportunities to explore tide pools or watch whales, sea lions and brilliant sunsets. The park has several miles of hiking trails, a recreated Yurok Village, a native plant garden, a visitor center, three family campgrounds, and two group campgrounds.

THE VISITOR CENTER has displays, brochures, and sales items available. Brochures and hiking maps are also available at the entrance station.

PARK FEES are due and payable upon entry. The campsite fee covers one vehicle. Additional fees apply for extra vehicles (limit of two vehicles per campsite).
