

Grizzly Creek Redwoods State Park

16949 Highway 36 • Carlotta, CA 95528
707-777-3683 • parks.ca.gov/GrizzlyCreek

Grizzly Creek Redwoods State Park offers a sense of seclusion and intimacy that has endeared it to generations of visitors. Established in 1943 and nearly 30 miles inland from the coast, the lush, green, 1,835-acre park is an unspoiled gem along the Van Duzen River.

DAY USE: Open all year, 8 a.m. to sunset. Day use fee is \$8 per vehicle per day.

OCCUPANCY: A maximum of eight people (including children) are allowed per family campsite. The Group Campground allows a maximum of 40 people and 8 vehicles. Picnic tables and fire rings are provided at the sites. Drinking water, flush toilets and hot pay showers are nearby. There are no sanitation stations in the park, and no sites offer RV hookups.

CHECK-OUT TIME is 12 p.m. (noon).

QUIET HOURS are from 10 p.m. to 6 a.m. To ensure an enjoyable experience for everyone, please do not disturb other campers.

GENERATORS must be turned off between 8 p.m. and 10 a.m.

DOGS AND OTHER DOMESTIC ANIMALS must be always kept on a leash no longer than six feet and under control. They must be confined to a vehicle, tent, or pen at night and never leave them unattended. Dogs, other than those that assist people with disabilities, are prohibited on trails. Dogs are allowed on the river access paths located between the horseshoe pits and campsite 18 to access the river directly in front of the campground but are not allowed at the swimming hole near the seasonal bridge.

WILDLIFE: Do not feed wildlife and keep your campsite "Crumb Clean"! The park is in bear country; properly store all food items in bear-resistant lockers at all times.

FOOD/TRASH: Please clean up after yourself and keep your site clean of trash and food items. No fireworks or water balloons allowed.

FIRES AND FIREWOOD: Please be cautious when building fires — wildfire danger is especially high during the summer. Fires are allowed only in established fire rings or camp stoves. Do not build ground fires outside the fire rings or leave campfires unattended. Do not gather firewood in the park — the nutrients need to be recycled back into the ecosystem.

SPEED LIMIT: The maximum speed limit is 15 mph. When pedestrians, bicyclists and children are present, even 15 mph might be too fast. Use good judgement.

BICYCLES & SCOOTERS: Children under the age of 18 are required by law to wear a helmet.

NO LIFEGUARDS: No lifeguards are on duty. Diving in the river is not permitted. Children should be supervised at all times.

TOXIC ALGAL BLOOMS: Harmful algal blooms form when excess nutrients fuel algae growth, especially in stagnant, low-flow water with abundant sunlight and sustained high temperatures. Visitors are advised to use caution and avoid toxic algal mats found in the water and along the shore, especially around children and pets. Do not allow pets to drink water or eat algae or algal mats.

CAMPING RESERVATIONS: Call 800-444-7275 (711, TTY Relay Service) or visit ReserveCalifornia.com.
California State Parks supports equal access. For accommodation requests, including alternative formats, contact 707-445-6547. For information about accessible features, visit parks.ca.gov/AccessibleFeatures.
