

Standish-Hickey State Recreation Area

69350 Highway 101 • Leggett, CA 95455 • (707) 925-6482

At the "gateway to the tall trees country," the area offers camping, picnicking, hiking, fishing and swimming on the South Fork of the Eel River, which winds through the park for almost two miles. One of the few virgin redwood stands remaining in this area can be seen on the Grove Trail.

PARK FEES are due and payable upon entry into the park. The campsite fee covers one vehicle. There are additional fees for extra vehicles.

OCCUPANCY: Eight people maximum are allowed per campsite.

VEHICLE PARKING: Vehicles may be parked only in assigned campsites. All vehicles must remain in the parking area and may not extend out into the roadway. Two vehicles maximum are allowed per campsite. No trailers permitted, and no vehicles over 18 feet long in the Redwood Campground.

CAMPsites: You may attach lines to your property only. Tents and other equipment must be confined to the space assigned. For information on the campsite limits, please ask a ranger or the camp host.

FIRES AND FIREWOOD: Fires are allowed only in established metal fire rings or camp stoves, and must be attended at all times. Do not gather firewood in the park—the nutrients must be allowed to recycle back into the ecosystem. Firewood is available for purchase at the entrance station.

CHECK-OUT TIME is noon. Please vacate your site by that time. Check-in time is 2 p.m.

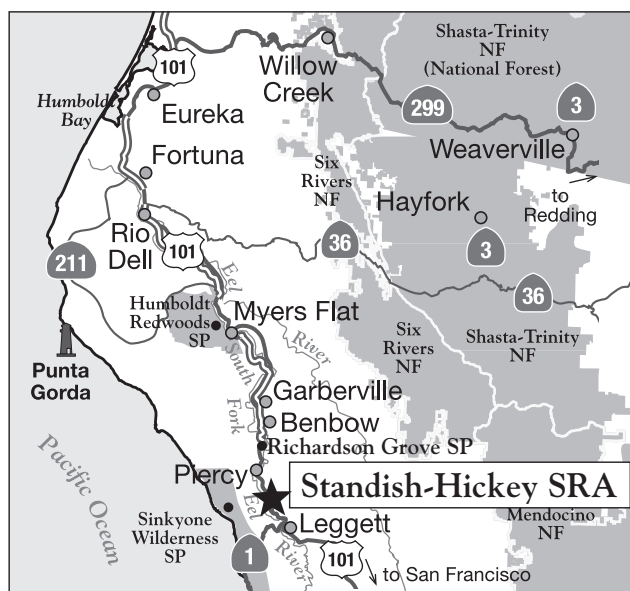

DOGS must be kept on a leash no longer than six feet and under your supervision at all times. They are not permitted on the trail (except for service dogs). Please clean up after your pets. Dogs must be confined to a vehicle or tent at night.

SPEED LIMIT: The maximum speed limit is 15 mph. When pedestrians and children are present, even 15 mph might be too fast. Use good judgment.

Radios and other sound-producing devices must not be audible beyond your immediate campsite. Generators may only be operated between the hours of 10 a.m. and 8 p.m.
