

Sonoma Coast State Park

3095 Highway 1 • Bodega Bay, CA 94923 • (707) 875-3483

Long sandy beaches below rugged headlands, a craggy coastline with natural arches, and secluded coves are features that make Sonoma Coast State Park one of California's most scenic attractions. The beach extends 17 miles from Bodega Head to Vista Trail, located 4 miles north of Jenner. Beachcombers, anglers, sunbathers, and picnickers can access the beach from more than a dozen points along coast Highway 1.

PARK FEES are due and payable upon entry into the park. Use the self-registration system if the entrance station is closed. The campsite fee covers one vehicle. There are additional fees for extra vehicles.

OCCUPANCY: Each campsite may have up to 8 persons (including children). Two vehicles maximum are allowed per campsite.

VEHICLE PARKING: Vehicles may only be parked in your assigned campsite. They must remain on the pavement and must not extend into the roadway or off the road.

CHECK-OUT TIME is noon. Check-in is 2 p.m.

SPEED LIMIT: The maximum speed limit is 15 mph. When pedestrians are present, even 15 mph might be too fast. Use good judgment. Remember not to drink and drive.

QUIET HOURS are from 10 p.m. to 6 a.m. Please do not disturb other campers, regardless of the time of day or night. Generators may only be operated between the hours of 10 a.m. and 8 p.m.

PETS/DOGS are not permitted on trails or in the environmental campgrounds, Pomo Canyon, and Willow Creek. Dogs are permitted in Bodega Dunes and Wrights Beach campgrounds, provided fees are paid and pets are kept on a leash no longer than six feet. Pets must be under control at all times and not left unattended.

FIRES/FIREWOOD: Please be cautious when building fires. Fires are allowed only in established fire rings or camp stoves, and fires are not permitted on the beach. Do not build ground fires outside the fire rings or leave

campfires unattended. Do not gather firewood in the park — the nutrients must be allowed to recycle back into the ecosystem. You may purchase firewood from the camp hosts.

Note of Caution: Please be safe while visiting Sonoma Coast State Park. Like most North Coast beaches, the Sonoma Coast is not for swimming. Cold water, strong rip currents, backwash, and large, unpredictable waves have caused many deaths. These conditions make surf, play, and climbing on nearby rock out-croppings dangerous and unsafe.
