SPECIAL EVENT GUIDELINES 2023

Santa Cruz District
California State Parks
303 Big Trees Park Road, Felton, CA 95018

The Mission of California State Parks is to provide for the health, inspiration, and education of the people of California by helping to preserve the state’s extraordinary biological diversity, protecting its most valued natural and cultural resources, and creating opportunities for high-quality outdoor recreation.

Thank you for your interest in having your special event at one of the beautiful and distinctive State Parks found in the Santa Cruz District. Throughout our 32 park units, the Santa Cruz District offers a variety of unique event venues.

Please note that all the locations in the park are outdoors and rustic. Events in our parks are suitable for those wishing to have a low-key event in a natural setting without modern accoutrements. Because of the rustic nature of these sites, we highly recommend visiting the park and location(s) you are interested in reserving for your event prior to applying for a Special Event Permit.

INSURANCE INFORMATION:

Liability Insurance Requirements

Insurance is required when a commercial vendor, caterer, event planner, etc. is involved in your event, or the event and its specific details pose a greater risk to the environment or persons involved in the event. Generally, weddings should not require insurance, except when “out of the ordinary” park activities are to take place, i.e. band, tent set up, etc.

If proof of insurance is required, please contact a qualified insurance company for the insurance policy; your current renters or homeowners’ insurance provider is a good place to start.

*The Certificate of Insurance must be received at least sixty (60) days in advance of the event.*

**The State Of California requires the following regarding liability insurance:**

1. Must be on an *ACORD25* form.
2. The name of the permittee must be the same as the insured.
3. The *Certificate Holder* must be listed as:

   The State of California  
   P.O. Box 942896  
   Sacramento, CA 94296-0001

4. The *Special Endorsement* MUST Read:

   The State of California, its officers, employees, and servants are included as additional insured, but only with respect to work performed for the State of California under this contract.

   OR

   The certificate holder is added as an additional insured, but only with respect to the liability arising out of the operations of the insured named above.

5. The *Insurance Requirement Amount* must be a combined single limit (CSL) $1,000,000 per occurrence.
6. *Host Liquor Liability* (and an ABC permit) is required for any events where alcohol is being sold.
7. Location address is: 303 Big Trees Road, Felton CA, 95018. Do not list this location or park as the certificate holder.

Please note: If any of the above information from lines 1-6 is missing or if any additional names and/or verbiage is added to the Certificate Holder or Special Endorsement, the certificate will not be accepted and will be returned to the applicant for correction.
