

# PRICE LIST FOR SCHOOL GROUPS

Please take advantage of our special low prices so that each student may have a photograph.

We do require a \$40 minimum print purchase order for groups of 7 to 14 & a \$60 minimum for groups of 15 and up.

Please do not make your own copies.  
(This is illegal, bad for our business & teaches your students that cheating is okay.)

# CLASS GUIDELINES

**1:** *Using your own camera in our Studio is not allowed. This includes smart phones!*  
Please let us do our job.

**2:** It is our policy *not* to photograph school groups with prop guns. If you would like guns in your photo please tell us before your appointment. Also note we will not have enough for everyone to get one.

**3:** For large groups please allow approximately 30 to 45 minutes to dress each class and another 10 minutes to take their picture.

**4:** It is a good idea to have your boys wear long pants on the day we photograph them, although we can work around the problem.

**5:** In keeping with the photographs of the period, everyone should be very still to avoid blurring. Traditionally boys are very serious & girls have a slight smile, however it is up to you if you want your class to be serious or smiling.

**6:** Please remind everyone that our costumes are fragile and our props are real; therefore, please treat everything with respect. When done, please ask them to take off the costumes carefully. We will give you a spot to lay them so we can put them away.

**7:** Please refrain from handing out props. Props come last after we have everyone positioned.

**8:** In most cases your photographs will be available an hour after your appointment. In the event you must leave right away we are happy to mail them to you.

*For mail orders, please add \$2.00 shipping for 5x7's and \$3.00 for 8x10's.*

*Please call for reprints.*

*Files are stored under the date & school/teachers name.*

*We hope you and your class will enjoy yourselves being photographed in our 19th century costumes. As always, we appreciate your help as we work with your students.*

*If you have any additional questions or to make an appointment, please call us at 209-532-4861 or send an email to [photo.kamice@gmail.com](mailto:photo.kamice@gmail.com)*
