Dear Los Exploradores Parent or Guardian,

California State Parks wants the Los Exploradores de Monterey Summer Day Camp program to be available to everybody regardless of their financial situation. If you feel you are a candidate for tuition assistance, please read and complete the Tuition Assistance Application. The application must be returned to the address above with registration.

California State Parks reviews all Tuition Assistance Applications (TAA) and distribution of these opportunities depends upon factors, including and not limited to: the completion of the TAA, the number of TAAs, when the TAA is received, and the available funds for tuition assistance. All the information supplied is completely confidential. Please include any special circumstances that will help in determining eligibility.

We hope you can participate in our Los Exploradores de Monterey Program this year. If you have any questions or concerns, please call the above phone number or send an email message to above email address.

Sincerely,  
Los Exploradores Coordinator  
California State Parks, Monterey District
