## McGrath State Beach to reopen for limited camping.

OXNARD, Calif. – McGrath State Beach will reopen one loop (approximately 40 sites) to first come first served camping on Friday March 30<sup>th</sup>, 2018 at 8AM.

The steady rainfall since February has caused the sandbar at the Santa Clara River to breach and remain breached, which has alleviated the flooding that closed the park.

The 35 sites open will cost \$35.00 site per night to stay. Each campsite has its own picnic table and fire ring, and the restroom with hot water showers will be open. (Hot water showers cost 50 cents for 2 minutes of hot water.) Cash and check payment will be accepted at the kiosk. Credit card payments will not be accepted.

The dump and fill station will remain closed for repairs.

The park will remain open until the flood waters return making it unsafe to enter the park.
