Baldwin Hills Scenic Overlook

Special Events Guidelines

The Baldwin Hills Scenic Overlook is a California State Park and its primary objective is to promote the mission of California State Parks. We are happy to offer the park as a venue for your special event, but we must ensure the integrity of this valuable resource for the enjoyment of all visitors in the years to come.

Events are held only in designated areas of the grounds and interior facilities at the Baldwin Hills Scenic Overlook and Visitor Center Complex. A special use permit will indicate which areas are to be used for each special event. The public may concurrently use adjacent areas of the property during regular park hours and your event must not impede public access to facility restrooms.
