**Prohibition of Alcoholic Beverages
California Citrus State Historic Park**

January 23, 2023
Inland Empire District

DISTRICT SUPERINTENDENTS ORDER NO. 951-23-005
Supersedes Posted Order 951-22-005

1. No person shall consume any alcoholic beverage within California Citrus State Historic Park.
2. Consumption will include dominion or control of an open container. Open containers are defined according to the California Vehicle Code as: any bottle, can, or other receptacle containing any alcoholic beverage, which has been opened, or seal broken, or the content of which have been partially removed.
3. Prohibition of the consumption of alcoholic beverages in these areas is in effect for the protection of the health and safety of persons, property, and resources.
4. The District Superintendent, or designee, may grant exemptions to this order as determined necessary for the proper administration of the park, and to protect the safety and welfare of its visitors, employees, wildlife and resources. All Exemptions, except for emergency personnel, must be obtained in writing. Requests for exemptions may be made by contacting the District Superintendent, Inland Empire District, 17801 Lake Perris Dr., Perris, California 92571.
5. Nothing herein shall affect any existing private contract or property rights.
6. Nothing herein shall be construed in derogation of other provisions of law.

Kelly Elliott

DISTRICT SUPERINTENDENTS ORDER NO. 950-23-002

Supersedes Posted Order 950-22-002 REVISED

Model aircraft and Unmanned Aerial Systems (UAS or “drones”) are an emergent technology that can have a negative impact on park resources and public safety and are generally inconsistent with the park experience. Due to the dramatic growth and popularity of model aircraft and UAS, and based on concerns related to wildlife, aesthetics, visitor safety and privacy, and fire hazards, the following lands and facilities located within the Inland Empire District are restricted as follows:

For the safety and welfare of the public, and under the authority of the California Code of Regulations, Title 14 Sections 4326 and 4301(i), the following regulations regarding Drone/UAS use shall apply to all lands owned or operated as part of Inland Empire District:

1. No person shall launch, land, or operate a powered unmanned aircraft or unmanned aerial system (UAS) within Inland Empire District.

Exceptions to this order, at the discretion of the District Superintendent, **may** include:

- a. Commercial filming with applicable FAA Certificate of Authorization (COA), appropriate park unit permits and California Film Commission approval.
- b. Non-commercial use upon completion of the park unit’s special use permit application and applicable FAA registration.
- c. Use by law enforcement under exigent circumstances.
- d. Scientific research with appropriate FAA registration and park unit permits.

If any exception is granted, as described above, all UAS/Drone equipment must be made available for inspection of safety compliance at the time of application.

Exceptions to this order may only be granted in writing by the District Superintendent of Inland Empire District at 17801 Lake Perris Drive, Perris, CA 92571.

2. Nothing herein shall affect any existing contracts or property rights

Nothing herein shall be construed in derogation of other provisions of law.

Kelly Elliott
District Superintendent

Authority:

State of California Public Resources Code, Sections 5003 and 5008
California Code of Regulations, Title 14, Section 4300, 4301(i), and 4326

Copies of this order have been filed with the Desert Division Chief's office.

Electronic Bicycle Use

January 23, 2023
Inland Empire District

DISTRICT SUPERINTENDENTS ORDER NO. 950-23-003

Supersedes Posted Order 950-22-003

Whereas: California Code of Regulations (CCR) tit. 14, § 4360 states, “Unless designated by the Department, all trails are open to pedestrians and closed to all other uses.” This regulation prevents bicycles, to include e-bikes, on trails unless otherwise designated by the Department through a superintendent’s order.

Whereas: Revisions to the California Vehicle Code (CVC) have removed e-bikes from the definitions of “motorized bicycle” and “motorized vehicle.” Section 312.5(a) of the CVC redefines e-bikes into three classes depending on the bicycle’s level of assistance and speed:

- (1) A “class 1 electric bicycle,” or “low-speed pedal-assisted electric bicycle,” is a bicycle equipped with a motor that provides assistance only when the rider is pedaling, and that ceases to provide assistance when the bicycle reaches the speed of 20 miles per hours
- (2) A “class 2 electric bicycle,” or “low-speed throttle-assisted electric bicycle,” is a bicycle equipped with a motor that may be used exclusively to propel the bicycle, and that ceases to provide assistance when the bicycle reaches the speed of 20 miles per hour.
- (3) A “class 3 electric bicycle,” or a “speed pedal-assisted electric bicycle,” is a bicycle equipped with a speedometer and a motor that provides assistance only when the rider is pedaling, and that ceases to provide assistance when the bicycle reaches the speed of 28 miles per hour

Whereas: Except as otherwise permitted, e-bike use on trails and non-public access (controlled access) roads shall only be allowed in the following unit classifications:

- State Recreation Area (SRA) Class 1 e-bikes only
- State Vehicle Recreation Area (SVRA)

Therefore:

1. Class 1, 2, and 3 e-bikes are allowed on public roadways within all Inland Empire District park units per applicable California Vehicle Code sections. Public roadways are roads currently open to public vehicle use.

2. Inland Empire District has three State Recreation Areas (SRA) within the jurisdiction of the Department. Class 1 e-bike use is permitted in the below listed SRAs on trails and non-public access roads already designated for traditional (non-electric) bicycles.

- a) Lake Perris State Recreation Area
- b) Silverwood Lake State Recreation Area
- c) Providence Mountain State Recreation Area

3. Regardless of park unit classification, e-bikes are permitted to use paved (asphalt or concrete) trails used for the purpose of local or regional commuting where such use would be consistent with adjacent agency or organization's trail use.

4. Chino Hills State Park, Wildwood Canyon (Unclassified Property), and Mount San Jacinto State Park– All trails closed to e-bikes, personal electric transporters and other motorized transportation devices.

5. Requests by individuals for e-bike use for the purpose of providing access to people with disabilities shall follow Departmental Notice 2015-04 Other Power-Driven Mobility Devices.

6. The District Superintendent, or designee, may grant exemptions to this order as determined necessary for the proper administration of the park, and to protect the safety and welfare of its visitors, employees, wildlife and resources. All exemptions, except for emergency personnel, must be obtained in writing. Requests for exemptions may be made by contacting the District Superintendent, Inland Empire District, 17801 Lake Perris Drive, Perris, California, 92571.

7. Nothing herein shall affect any existing private contract or property rights.

8. Nothing herein shall be construed in derogation of other provisions of law.

Kelly Elliott
District Superintendent

Authority:

State of California Public Resources Code, Sections 5003 and 5008
California Code of Regulations, Title 14, Section 4300, 4301(i), and 4326, 4360
Departmental Notice 2021-04
