Boat Tours at Millerton Lake Celebrate the Annual Return of Migratory Bald Eagles

FRIANT- California State Parks invites the public to celebrate the annual return of wintering Bald Eagles to Millerton Lake State Recreation Area. Join Ranger and Interpretive Staff as we ply the waters of Millerton Lake in search of our National Symbol- the majestic American Bald Eagle. View Eagles close-up while learning about their dramatic recovery, fascinating ecology and Millerton Lake's first Bald Eagle breeding event. Other wildlife such as Golden Eagles, deer and numerous waterfowl species are also frequently observed by tour participants. Weekend tours aboard our pontoon interpretive vessel, To'-qhill, will begin Saturday, December 6, 2008 and end Sunday, March 1, 2009. Please see details below:

Millerton Lake Weekend Tour Details

When: 8 a.m. – first two weekends of December 2008. Thereafter, 8 a.m. – each weekend

In January and February 2009.

Where: Historic Millerton Courthouse

Cost: \$15/ person- Price includes admission to the park.

Reservations: For weekend or weekday tour reservations call (559) 822-2332.

In addition to weekend excursions, Millerton Lake will again offer special weekday group, e.g., schools, senior citizens, scouts and fraternal organizations, tours (Mondays, Tuesdays, Thursdays and Fridays) during the months of January and February. Groups wishing a special weekday tour must reserve the entire vessel at the group rate of \$350. To'-quill has a maximum capacity of 25 persons.

Children are welcome on weekend and weekday tours. Children six years and under, however, must wear their own Coast Guard approved lifejacket. Lifejackets are provided to all vessel passengers above the age of six. Although To'-quill is a covered pontoon boat with railings, its open front an open windows allow wind and rain to enter the vessel. Tour participants are advised to dress for winter weather conditions on a lake, aboard a moving vessel. Hats, gloves and layered clothing are advised. For optimal wildlife viewing participants should also bring binoculars.
