Castle Craggs State Park Set to Reopen

Castle Craggs State Park will open on Monday, July 9, 2012 for camping and day use. Camping will be available on a first come first served basis.

The park will be operated by State Parks while negotiations continue with potential partners.

Riverside Campground within Castle Craggs State Park will remain closed until further notice pending water system repairs.

For more information contact the park at (530) 235-2684.
