Coast View Trail at Mt. Tamalpais State Park is Temporarily Closed for Maintenance September 25-29

The Coast View Trail at Mt. Tamalpais State Park will be closed to the public September 25-29. State Park staff is combining forces with the Marin County Bicycle Coalition (MCBC) to provide the Coast View Trail with much needed maintenance and repair.

State Parks and MCBC ask that park visitors respect this closure for their safety. Heavy equipment will be used to repair badly eroded sections of trail. For the duration of the Coast View closure, the alternate route from Pantoll Station to Highway One is Deer Park Fire Road to Muir Woods Road.

For more information on MCBC volunteer opportunities at Mt. Tamalpais State Park, check out their site at www.marinbike.org/Volunteer.
