Nominations Being Accepted for 2014 Governor's Historic Preservation Awards

The California Office of Historic Preservation (OHP) is now accepting nominations for the 2014 Governor's Historic Preservation Awards. The deadline for receipt of nominations is May 12, 2014. The awards will be presented in November 2014 in Sacramento.

OHP welcomes nominations from individuals who have made a difference in historic preservation, organizations that are helping California communities recognize, celebrate and interpret the stories and artifacts that make their history unique and companies and public agencies that have exceeded expectations and contractual obligations in preserving the heritage of California are also candidates.

Historic preservation extends beyond the sites and buildings that remind us of our history. It also includes the people who have made California their home and have imprinted it with their presence and stories.

The projects, organizations, and individuals honored with the Governor's Historic Preservation Award epitomize the innovation, creativity, and dedication that are at the heart of the efforts to preserve California's rich and textured cultural heritage. The OHP and the independent jury that review the nominations and select the award winners look forward to receiving this year's nominations.
