

CALIFORNIA OUTDOORS FOR ALL

California State Parks Pass Access Programs

With the leadership of Governor Gavin Newsom and First Partner Jennifer Siebel Newsom, California has created innovative access programs for children and families to explore California's State Park System. Via the California State Park Adventure Pass and State Library Parks Pass programs and a revamped Golden Bear Pass Program, California is promoting a healthier, more equitable California for all. This effort helps advance the Newsom Administration's "California Outdoors for All" initiative to enable all Californians, regardless of zip code or income, to access parks and open spaces.

Provides free day-use passes for fourth graders who attend California public schools and their families to 54 participating state parks. The pass is valid for the fourth grader's school year through the following summer (September-August).
