UPDATE: Body Found at Folsom Lake

This morning, a body was located at Folsom Lake State Recreation Area (SRA) by a member of the public who was recreating on the lake. The call to State Parks came in at approximately 0950 hours, and staff responded within minutes. The unidentified body was located on the North Fork arm of the lake between the Peninsula and Mooney Ridge, south of Granite Bay. Helicopters from the California Highway Patrol (CHP), boats from State Parks and the El Dorado County Sheriff's Office are searching the area.

The El Dorado County Coroner's Office has taken possession of the body. For more information, please contact the El Dorado County Sheriff's Office at (530) 213-3899 or press@edso.org.

California State Parks Mission

To provide for the health, inspiration and education of the people of California by helping to preserve the state's extraordinary biological diversity, protecting its most valued natural and cultural resources, and creating opportunities for high-quality outdoor recreation.
